

## REMARKS

In the Office Action dated January 13, 2005, updating of the "Related Applications" section of the specification was required, which has been done.

Claims 1-12 were objected to because of a number of informalities. Claims 1, 4 and 5 have been editorially amended to correct those informalities.

Claims 1-12 were stated to be allowable after correction of the aforementioned informalities, and therefore all claims of the application are now submitted to be in condition for allowance. Early reconsideration of the application is therefore respectfully requested.
